isn't that a lovely stove!" exclaimed a lady in our store a short time ago, as she paused in front of one of the Michigan Stove Co's latest pattern cook stoves, and proceeded to critically inspect the same. The examination was satisfactory in every particular. It always is. You make no mistake in buying the kind we handle. It's the poor kind you "burn your fingers" with.

The "Quick Meal,"

How about that? Have you one? Not many moons hence ere the kitchen will be sizzling with summer heat, and you will appreciate doubly a latest improved "Quick Meal" Gasoline Stove. We have them now. They sell wonderfully easy; may be gone soon, remember.

If "Algernon" of Paw Paw would kindly prick the bubble end of the Decatur Republican, possibly a little air might be let out and the "hired man" feel better.

The Allegan county soldiers' and sailors' reunion, which was to have been held at Otsego, will meet at Allegan August 16 and 17 instead. Difficulty about renting the opera house at the former place caused the change.

At two o'clock Monday afternoon fire broke out in Miller & Turner's lumber manufacturing establishment at Bay City. With the thermometer at 96 and a brisk wind blowing from the south-west, the flames rapidly spread until fifty-one blocks, comprising over 1,300 buildings, had been swept away and a loss of over \$1,000,000 entailed. Several lives are reported lost, but details are as yet meagre.

Rena Griffin and Ray Warner of Wayne, Cass county, hitched a colt to a cart to go berrying one day last week. One cart wheel struck a stump throwing Rena out. The horse ran away with Ray Warner's feet fast in the slats in the bottom of the cart, his body hanging across the thills in such a position as to bang his head against every spoke in the wheel. Ray was picked up insensible and still remains in that condition and will probably die.

A good place to get a good bath is a thing to be appreciated. Such a place is the Maple City Home, where Dr. Hendrick has made extensive arrangements for administering baths of all kinds. It has been our privilege to sample these, and especially the Turkish baths. They are splendid, making one feel like a new being, and we going there again. The facilities are excellent for both ladies and gentlemen—everything being in the best of style.

Local option is doomed in Van Buren county. It has been on trial among our neighbors for over two years and has not proved the success which many expected. Van Buren county has no cities nor large towns, and the open saloons are few and far between; but, if the testimony of reliable citizens counts for anything, secret rum-holes abound almost everywhere and drunkenness is even more prevalent than it was under the license system.—Dowagiac Times.

Paw Paw can be pardoned for feeling a local pride in the nomination by the Saginaw convention of Prof. E. A. Wilson, superintendent of our public schools, for member of the state board of education. Hon. C. L. Eaton presented Mr. Wilson's name to the convention, and we are told that the nominating speech was equally creditable to Mr. Eaton and complimentary to his subject. Such gentlemen as these are an honor to the community in which they live, and Van Buren county is proud of them.

Sul. Cook announces in his last issue that he "has made up his mind to buy a new press and outfit to print the Alliance at Hartford, instead of Paw Paw as heretofore." And we predict that within four months from date "a new press and outfit" at Hartford will be for sale—cheap. We are free to confess that there are some profound dunderheads within the borders of our county, but that there are enough of such to support an organ advocating the wild, visionary doctrines of the People's party, we doubt.

The M. E. church society will give a grand Harvest Excursion on Wednesday next to Benton Harbor and St. Joseph via So. Haven and the steamer Williams. Train leaves Paw at 6:30 a. m. and the boat leaves South Haven at 9 o'clock. Returning, boat leaves Benton Harbor at 4 p. m., giving four hours at that point. Fare for the round trip, \$1.25; children under 12, \$1.00.

Quite a number from this place attended the prohibition mass convention at Hartford on Thursday of last week. The other townships of the county were also fairly well represented. The assemblage was presided over by Mr. E. A. Rood of Covert, and an earnest determination was evidenced on the part of all to sustain and perpetuate the existing law. A county campaign committee, consisting of one from each town, was appointed and every school district in the county will be thoroughly canvassed. A considerable fund for this purpose was raised on the spot and more will be forthcoming when needed.

The procession down Pennsylvania avenue which the Grand Army of the Republic proposes to make a feature of its national encampment in Washington in September will not be as large as that memorable review of the returning Union veterans at the close of the war, but it will be very impressive. None but members of the order will march. There may be 100,000 of them. The "boys in blue" all over the country are anxious to meet once more in life at the national capital. Thirty years have passed since they took the field, and the procession will be of men old in life's experiences, if not in years; but the loyalty of men who once fought for country knows no failing.

We learn by the Aberdeen (Dak.) Daily News that during a terrific electrical storm which visited that city on Tuesday evening of last week the residence of H. S. Williams, formerly of this place, was struck by lightning. The bolt passing down the chimney of the upright, striking and demolishing the partition between the two sleeping rooms occupied respectively by Harry and the servant girl, literally tearing the rooms and furniture in splinters. About ten minutes before the house was struck Mrs. Williams, frightened by the violence of the storm, had called Harry and the girl down to the lower rooms, which undoubtedly saved both their lives.

C. A. Lamberson of Pine Grove announces himself as a candidate for the office of sheriff of this county. Mr. Lamberson has been a voter in his township for nineteen years; has been a persistent worker in the Republican ranks, and it is due largely to his efforts that Pine Grove is redeemed from Democratic rule and stands to-day a staunch Republican township. Pine Grove has never presented a candidate for a county office, and those who have so long struggled in the minority in that town feel as though they were entitled to some consideration. Should Mr. L. be the choice of the convention, he will have no warmer supporter than the NORTHERNER.

The board of supervisors convened on Monday and considered the local option special election question. The board organized by the election of H. P. Waters of Antwerp chairman. Legal points were raised concerning the validity of the petitions and, on the advice of Prosecutor Titus, many names were stricken from the petitions and some entire townships thrown out because of informalities in making and certifying to the returns. Notwithstanding this, the petitions bore an excess of five hundred names over the number required by law for a re-submission of the question, and the board by a vote of 15 to 1, ordered a special election to be held on Monday, Sept. 5.

C. G. Page, photographer of Hammond, Ind., whose young wife died at the home of her parents in Bangor on the 5th inst. under suspicious circumstances, was arrested last Thursday, charged with murder. Mrs. Eliza Tobin of South Chicago, Page's partner, was arrested on the same charge, as was also Albert Taylor, an employee, who has charged of their establishment at South Chicago. Mrs. Tobin was taken to Crown Point while the men are in jail at Hammond. The examination was to have been held at Crown Point the county seat of Lake county, yesterday. Mr. Hammond of Bangor, father of the victim, claims that an analysis of the stomach revealed the presence of arsenic. The affair has been conducted so secretly that it is extremely difficult to obtain the exact status of the case.

Business Brevities.

A. Hathaway & Co. has a seasonable word regarding the shingle trade, and all interested should read it.

"The Leaders" offer great bargains in shoes, summer dress fabrics, &c. They also pay the highest prices for butter and eggs. See their adv.

With a view to closing out the entire line of hot weather goods, W. R. Selick & Co. have put the price so low on their Jersey underwear, White goods, Black Organdies, Millinery, Umbrellas, Ladies' Walking Shoes, and Men's Straw Hats, that it will be a great saving to buyers. Their stock is complete.

Broughton announces Saturday Aug. 13th as the date of delivering premiums to ticket holders. The reason for the date being fixed so far ahead is that these premiums have to be ordered from various eastern cities, and it takes time to get them all around.

1317—Walter Ashman, 23, and Elvira Peters, 20, both of Keeler.

1318—Dunne Gardner, 37, and Anna Harp, 39, both of Paw Paw.

1320—Wm. A. Hartman, 36, and Rose M. Bliss, 24, both of South Haven.

The NORTHERNER and New York Tribune one year for \$1.50.
